ALL INDIA COUNCIL FOR TECHNICAL EDUCATION

PUBLIC NOTICE

Extension of deadline for completion of Mandatory Teachers Training beyond 31st July 2022 prescribed under AICTE Regulations 2019 (Degree and Diploma)

This Council issued 7th CPC AICTE Gazette Notification dated 1st March 2019 on pay scale, minimum qualifications and other service conditions of teachers in technical institutions of degree and diploma level with the approval of the Ministry of HRD. Under the 7th CPC AICTE Regulations 2019, which have come into effect from 1st March 2019, Mandatory Teachers Trainings have been prescribed as necessary requirement for promotion of the teachers working in technical institutions (Degree and Diploma level). It was also provided that those who are eligible for promotions after the date of publication of this Gazette, shall have to meet the necessary conditions such as additional qualification, undergoing industrial training, pedagogical training, faculty induction program, publishing research papers etc. These requirements were to be fulfilled by 31st July 2022 so as to enable faculty members to avail the benefit of promotion retrospectively from the date of eligibility.

It has been brought to the notice of this Council that it had not been possible for the faculty members to complete the mandatory teacher trainings by the above deadline due to prevailing COVID Pandemic situation and non availability of the training modules. As a natural corollary to this, the faculty members will not be able to avail the benefit of promotion retrospectively from the date of eligibility, which in turn will cause financial loss to them. Keeping in view the fact that the reasons and circumstances for not completing the mandatory teacher trainings by the faculty members are beyond their control, the matter has been considered sympathetically. Accordingly, it has now been decided to extend the above mentioned deadline of 31st July 2022 for a period of two years. In view of above, now these requirements prescribed under AICTE Regulations 2019 shall be permitted to be fulfilled till **31st July 2024** so as to enable the faculty members to meet the requisite mandatory requirements of AICTE Gazette Notification dated 1st March 2019 and to avail the benefit of promotion retrospectively from the date of the eligibility.

All the AICTE approved Institutions are requested to comply with the above.
